

Family Soccer Golf Tournament

in Murray Park

Murray Parks & Recreation has created a 9 hole Soccer Golf course in Murray Park for this awesome family event. This tournament will be a foursome scramble. Prizes given for a closest to the hole, longest kick and straightest kick. Come play with your family, friends, etc. Social distancing is required! Prizes given for the best scores.

Soccer golf is played by kicking a soccer ball into the make shift hole. Play starts with teeing area and ends at the hole. Players must kick in a single movement and must start with the foot not touching the ball. Lifting or pushing the ball is not allowed. Like golf, players will start at tee area and kick. All players will tee off and then decide after each kick which is the best shot to play. Continuously using the best kick from the group.
